

UKS2 Homework – Terms 3&4

After such an enthusiastic response from the children about their Christmas magazines, we have decided to set a magazine based topic homework (Thursday night) for terms 3 and 4, focused on space. Again, the children will be able to share their magazines in class. The hand in date is Monday 16th March.

The workbook which the children completed during the English workshop will have ideas to support their writing at home.

The magazine should include a:

- Front cover
- Non-chronological report
- News report
- A voyage and return story
- A word search / crossword
- A piece of art

If the children would like to include more within their magazine then they may. We look forward to seeing their work!
