SELF EVALUATION POLICY**

TABLE OF CONTENTS

1 INTRODUCTION

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish; The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available for you on our website to download and print off, or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2 AIMS AND OBJECTIVES

The school aims to:

- enable every child to fulfil their learning potential, with education that meets the needs of each child,
- help every child develop the skills, knowledge and personal qualities needed for life and work,

and this publication scheme is a means of showing how we are pursuing these aims.

3 CATEGORIES OF INFORMATION PUBLISHED

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into a number of broad topic areas:

- CLASS 1 – ABOUT THE SCHOOL – General information about the school
- CLASS 2 – FINANCE – information about school finances and expenditure
- CLASS 3 – PERFORMANCE – information about the school performance and future development plans.
- CLASS 4 – DECISION – general information on the decisions made within the school
- CLASS 5 – POLICIES – List of all policies the school use to manage operation of the school.
- CLASS 6 – GENERAL – information on general and ongoing school activities.

The local of this information and any specific detail can be found on the attached spreadsheet, a copy of the relevant information from this is detailed at Section 6 onwards.

The main repositories of this information is

- Schoolcentre – cloud based information storage area accessible by the school and governors
- Web site – freely available via the school web site
- Clerk – the clerk of the governing body
- School – direct from the school.

Any items within Schoolcentre, the Clerk or School will need to be requested as detailed in section 4.

Those located either on the school web site or OFSTED / xxxx are freely accessible at all times.
