Themes for the Term

Happy New Year! Welcome back to Nursery and a special hello to our new children.

We hope that you all had a good break and enjoyed your Christmas celebrations. We would love for your children to share their photos of the holiday with the rest of the group. If you wish to do this then please send in photos

or email them to StJohnsMead@gmail.org.uk for my attention.

We are still enjoying 'Planning in the Moment' and will be focusing on each and every child over the course of the next term. We will continue to send home focus planning sheets which we would like you to fill in, highlighting interests, achievements and concerns.

People who help us.

The children love engaging in roleplay inside and outside; recently they have been doctors, nurses, teachers and shopkeepers. If you think you, or someone you know would like come in and talk about a job or hobby to inspire the children, please let us know.

You need to apply to South Gloucestershire council for your required reception place. If you need help just let us know. **The deadline is 15th January 2017** and offers will be made on 18th April 2017.

Independence

Have you seen how we put our coats on in the nursery? We do everything we can to encourage the children to become enthusiastic and independent not just in their learning but also in their self-care. Please encourage your child to have a go, it is great for their self-esteem.
