

School Council

Minutes

Welcome to School Council 2014-2015 Minutes

Last year, School Council decided that we wanted a kit for running club. Luckily, we have managed to get sponsored by Waitrose, which will be featured on the shoulder of the kit. On the back of the kit, it will have 'SJM' featured on it. The running kit has been ordered and will be delivered soon.

Last year, we also decided that we should have a friendship bench for the KS2 playing field. Harvey G, Edward L and Liam P are looking into a new bench.

Also, we have decided that we will be supporting Red nose day and the shoe box appeal. The Nursery will be running a Macmillian coffee morning, on Thursday 21st. In class, (in your circle time), you will decide on any other charities for our school to support. Maybe we could support 'Loom to the moon', a charity to support children with brain tumours. It was made because of a young boy who died of a brain tumour last year. Before he died he made a list of things he wanted to do, one of them was to see how many loom bands it would take to get to the moon. Hope you enjoy the new academic school year!!!

Good luck to the new councillors!

Date of Next Meeting: Thursday 25th September
