

School Council Minutes

The running kit will cost £7.50 per kit. Lily will be adding that to the letter. School council believe that 15 running kits will be enough as the kits will only be used when competing.

Door monitors are still not putting their chairs away after break and lunch time which can cause an accident when the rush for class comes. Sputnik and Viking school council are going to tell their classes about this.

School council are worried about classes are not having class meetings often enough. If classes do not have class meetings then school council will not know what children would want to have done to improve the school. Mrs Berry is going to talk to the teachers about having school council meetings.

School council would like to do sports relief this year. In previous years we have done running around the field which we will be doing again this year. It will be on the Friday 23rd of March. We will be dressing up as well, we don't know what yet but an idea is sporting heroes or crazy sports.

People have been asking why we can't play football before and after school. The reason is because children and adults in the past have got badly injured.

Children not liking some of the food at lunch time has been brought up. The kitchen staff will be monitoring what children like and do not like. Meaning if it becomes a problem they can do something about it.

Next Meeting: 6th March

Chair: Shay
