

## School Council Minutes

LKS2 (Lower Key Stage 2) have stopped climbing on the boys toilet walls, and half of the windows will be cleaned during the Christmas holiday.

Mrs. Berry will now be emailing the company about the cost of the running kit and to find out what is going to happen.

Mr. Millais and Mrs. Nickels (dinner supervisors) are going to be told about the equipment and how they are not to be used as goal nets. The Den is not to use the apparatus after school as goal nets as it has the same affects inside school hours and outside school hours. Playing football before and after school is banned if children do play football before or after school there will be no football that day, or the next. If it is a Thursday then on Friday there will be no football or if it is Friday there will be no football on Monday. If your parents let you, you can go onto the field to play foot ball or onto the ks1 playground for scooters before and after school.

After school on Wednesdays you can go into the computer suite, with your parents, and do your homework if you don't have any internet or computer at home.

Next meeting: 21<sup>st</sup> January 2014

Chair: Axel
