

School Council Minutes

The P.T.A has agreed to sponsor us in getting the running kit and Lloyds bank will be getting back to us soon. Thank you once again to Lily and Shay for writing it.

The year 3, 4, 5 and 6 football rota is for the playground only so you do not have to follow it when you are on the field.

School Council is thinking of having another pet day. This is when you get to bring your pets into school and show them to your class. We do not know if this will go ahead yet or not.

Please can the year 6 School Councillors remind the door monitors that when they move round to the field they need to put their chairs away.

Next Meeting: Thursday 19th

Chair: Robyn
