

# School Council Minutes

Scooters and bikes are still being used in the playground. It is mainly children from the nursery so parents please stop your children using them in the playground. Bethany will tell the nursery about this and Abigail will talk to reception. You may go round onto the KS1 playground, to play on your scooters and bikes, as long as you are being supervised by an adult. School Council are to talk to their classes for ideas to stop people using scooters in the playground.

Waitrose has started sponsoring us for the running kit. Lily and Shay have now designed the running kit.

School Council have thought about changing the school's P.E kit from a white t-shirt to a blue with yellow or yellow with blue t-shirt. This is because white is easily stained making it an unsuitable colour. This however will be looked at again next year with the new school councillors.

Loom bands are not allowed to be worn as they are jewellery. The only jewellery allowed to be worn is a watch and one earring per an ear. We are only allowed to wear loom bands on mufti days.

Next Friday is the children's fair! The money raised will be going to the Hosanna school with a donation going to the guide dogs and a bit going towards the friendship bench.

Next meeting: Monday 21<sup>st</sup> TBC

Chair: Lily
