

School Council Minutes 10.11.16

Welcome back to term 2, we all hope you had a great half term and hope that you have an even better term 2 back at school.

We have some good news since the food at lunchtime is now staying warm when it is being served up. However people are still pushing in the line for toast, although it is not the year 6s anymore, which is a good thing. We have found out that it is actually the slightly younger years such as years three and four. We would very much appreciate it you stopped.

The Pentagon Company, who created the original trim trail, has come in again to discuss some possible ideas. What we liked and what we didn't like as much. We have a budget of £10,000 however; we want to put down some nice flooring like we did with the other piece of apparatus, which was fitted in not too long ago. This does mean that we have £5,000 as an apparatus budget, so we would like you to report back which pieces of play equipment you enjoy using and which pieces are challenging and which pieces could be more challenging. Apolline, Nell, Daisy, Isobel, Lennon, Daniel and Isabelle have nominated themselves forward to go round the dens with Mr Millais to make sure the dens are safe and secure and won't harm anyone.

Because St Andrew's day is coming up, we would like ideas on how to celebrate it. It would be appreciated if you can come up with as many ideas as possible as we would like a wide selection of choice. We have already agreed to make up a special menu for it.

Leo and Gemma are going to remind people about the Christmas shoe box appeal.

For the next meeting we would like your class to bring in your top three charities to support. You will not need to worry about hosanna school as we usually support those children anyway.

Next Meeting: Thursday 24th November Chair: Mrs. Berry
