Home/School Agreement

### **Christmas Trees**

It was unanimously agreed that at least one Christmas tree poster was to be put up in the school. It was suggested that a special tree poster may be bought which instead of writing Christmas cards; each pupil would be given a bauble on which to write messages to their friends. Not only would this be fun but would save paper.

### **Home/School Agreement**

Every class has received a Home/School Agreement letter which contains information on what teachers, children and parents agree to want for the school. Each class will discuss what they want for the school and once it is all agreed, the Head Teacher, Teacher, Pupil and Parent will each sign the agreement.
