

St John's Mead School Council Minutes.

Meeting Held - 1st December 2010

Topics to talk about:-

Christmas Tree Poster
Home/School Agreement

Christmas Trees

The Christmas Tree Poster was discussed in most classes and it was agreed that it would be tried this year. It was unanimously agreed that the minimum cost of a bobble would be £1 and the money raised would be given to elderly people who are alone this Christmas. To add to the fun, each bobble can be decorated before being put on the Tree-poster.

Home/School Agreement

The Home/School Agreement was discussed again and it was explained that should anyone break the agreement they would need to say sorry and would have to try their best to do it right in future. If they continued not to follow the agreement then they would be reminded to do so by the school. The school council unanimously liked the Home/School Agreement.

Next Meeting to be held 8th December 2010
