

St John's Mead School Council Minutes.

Meeting Held - 8th December 2010

Topics to talk about:-

Christmas Tree Poster

Playtime

Christmas Tree Poster

Every year has put their "Be a Star" Christmas Tree poster up in their classroom, but this has had a mixed response.

Playtime

We talked about how we spend playtime and the equipment we already have.

The school councilors are going to discuss with their classmates what they like about playtime and how it could be better and any new equipment they would like, for example a basket ball hoop. Having a climbing wall was also discussed.

Improvements have already been started on the field for a sandpit and a stage.

Next Meeting to be held 15th December 2010
