

**St John's Mead
School Council Minutes.**

Meeting Held - 3rd February 2011

Topics to talk about:-

Interviews Values Eco club

Interviews

The interviews will be held next week on Thursday. The school-council secretaries (Jack and Heather,) will show the interviewees around the school. Two of year-sixes in school-council will stay for all of the interviews to ask questions. The school councilers are reminded to go to see Mrs Berry the day before the interviews take place.

Values

The school-councilers have been discussing values, and have come to a conclusion that we want to keep them. However, we are not sure if we want to keep the pillars in the Orange Hall. We were thinking of replacing them with something else, such as a rainbow. Also, we were thinking of changing the school logo to connect to the values.

Eco club

Eco club is on Wednesdays, and Adam Blue will ask Mrs Long where it is. Eco bottles will occasionally be sold on Monday morning breaks.

Next Meeting to be held 17th February 2011
