Interviews

The School council have decided what they want to improve when we do other interviews, which are- the class of the next school councilor to ask questions, and the name of the candidate above.

Values

The School council has confirmed that we are getting rid of the pillars in the Orange and Green halls. We have also decided that some of the values that we have already used shall be re-used in later terms, such as truthfulness, and honesty. All of the classes are to discuss this with their classmates.

Eco club

Eco club is on Wednesdays, and is to be held in the computer suite.

Logo

Over the Easter holidays (or in your own time), there is to be a logo competition, to be judged on a later date. The winning logo and it's maker will be in the newsletter! Please no silly logos! Finally, the following school councilors are in a logo club (for the school councilors only), who will be judging the contest; Mrs Berry; Adam B-AH; Tom B-ES; Kate D-WS; Tom PJ-WS; Poppy S-MJ and Liam P-RG.
