

School Council Minutes 16.9.15

Welcome to all of our new school councillors, Lucy D and Greg B from Endeavour, Jasmine and Drew D from Explorer, Lily C and Seb H from Gemini, Emily V and William C from Genesis, Katie R and Luke N from Liberty, Anya K and Joshua S from Phoenix, Jasmine R and Samuel J from Sputnik, Heidi CVE and Luis Lloyd from Viking and Katie S and Joshua H-our secretaries.

Please make sure you are having a class council meeting at least once a week.

When they come round, please hang up a picture of your sponsored child in Hosanna School in Uganda. Their school reports should also have been delivered, you should hear these soon.

As you know we have had the whole school rewired, meaning we have new I.T equipment in your classes. Year 5 and 6 will soon be receiving a few learn pads, so we can see how they work. We are no longer using the computer suite however you should have computers in your classrooms. As well as that, the laptop trolley is still in use.

We just wanted to let you know that the new spider web equipment for KS1 will still be going ahead. We would like you to consider what colour flooring you would like to go underneath the new equipment. Please tell your councillors during your next class meeting.

In addition to that, the bridge in the KS1 trim trail is broken. It would be £1000 to replace just that; however the whole trim trail would only be £5000. The new flooring would cost £4000 and the removal of the whole course another £600. This year`s money was agreed to go towards it. We would have to get somebody in to do a safety check for the new equipment before anyone is allowed to play on it. School Council think that it would be better to save the money on removing it and just have a Saturday working party instead. Please discuss ways to raise the money. We usually run bake sales throughout the year, but any other suggestions would be helpful.

A man from the equipment shop has agreed to come in to help us decide on a budget, and then show us what we can buy within it. We will then be able to work out what we want. We are yet to buy the friendship bench, however we still have enough money to get it.

Please discuss in your classes what charities you would like to support this year. School Council have agreed on the Food Bank and others include Christmas box and Red Nose Day.

Next Meeting: Thursday 8th of October 2015

Chair: Mrs Berry
